About JPACO:

Jordanian Palestinian Agricultural Products Marketing Company (JPACO) is a new established company sponsored and capitalized by the governments of Hashemite Kingdom of Jordan and Palestinian National Authority “State of Palestine”.

As a result of cooperation between the two countries, the company aims to improve export markets for fresh and processed products of both countries by encouraging small and medium farmers to grow exportable crops instead of traditional ones.

A world map is visible in the background, showing continents and oceans. The map is slightly faded and serves as a backdrop for the text.

JPACO penetrates the international market. We export to the following countries:

Hungary, Romania , Netherland, Poland, Austria, Greece, Cyprus, Russia, Turkey, Qatar, UAE, Saudi Arabia, Kuwait

Coming soon:

UK, Italy, France, Slovakia, USA, Indonesia, Japan, Malaysia, Kazakhstan

Quality Control:

We handle a very high level of quality. With moving many different items, quality inspection is our first priority, when the goods enter and leave our warehouse.
